No E 1877 of 3 forms issued

Letter no A3-3187 2690 of 42 dy 10-2-43
from the D.P.I, recommending in
the circumstances mentioned that the
case of the graduate training substitutes
for clearness allowance may receive
sympathetic consideration of Govt.

8) The Dir had recommended in his letter
no P1-1498-173 of 41-42 dy 5.1.42 that payment
the training substitutes may be treated on a
par with leave and other kinds of substitutes
not to allow them the benefits of leave, special locality allowance

and other allowances admissible under the rule also the dearness allowance. It was ~~not~~ same kind. reffee is invited to Paras 17, 19, 23, 25 the notes and to the Letter Edn 92-41 and letter No E 3688 Edn 92-41-3 dt 23-3-42. This recommend was in connection with training substitutes Primary Schools.

9 The Dir has recommended the Payment of dearness allowance to the B.T. Substitutes for the following grounds.

i) The pay being Rs 35/-, it does not attract graduates in sufficient numbers as they find favourable conditions or better start & prospects in centres of big business, like the Hindustan Air Craft & several other War time Concerns.

ii) That the pay of Rs 35 is small. It is stated that there are only 25 such substitutes and the cost will not be much.

11) It may be noted in this connection that the question of starting graduates on a higher initial Salary in the dept is under Consideration of Govt. The question of payment of dearness allowance to the Aided School teachers under training part time teachers, employees in Hostels has been raised by the Dir, & he has been asked to furnish certain Particulars.

12) The ~~prices~~ rise in prices of

clothing, and all necessities has made the Cost of living very high. It is a Common feature for both the Permanent employees and temporary employees. In a place like Bangalore, a pay of Rs 35/- is hardly sufficient for a family to make both ends meet.

13 In these circumstances the question of payment to the B.T. Training Institutes of the "dearness allowance" perhaps deserves sympathetic Consideration. Solicit for orders-

AHB 13/2/43 14 Though the emoluments of these Substitutes, are called allowances, yet they it may perhaps be regarded as pay in view of the fact that they are required to be full time employees of the dept & generally continued till they are absorbed in regular vacancies In this view dearness allw^ to these teachers may also be ordered to be paid

Substitutes are not all in Bangalore, and they are distributed working in different High Schools which are in different Dts. As the rate of dearness allowance varies, with different the exact amount of dearness allowance that will become payable cannot be worked up here as the no. of training substitutes in Bangalore & in other places is not known. This will have to be ascertained from the Dept.

No. 660

To,

The Honourable Minister of Education,
Government of Mysore,
Mysore (Camp).

Respected Sir,

Bn 10-42-60

I beg leave to bring the following few points to your kind notice and immediate, favourable orders thereon:

The Deputy Director of Public Instruction of Bangalore was kind enough to appoint me as a Training Substitute in the government High School, Fort, Bangalore City in May, 1942, and I have been working there.

The government of Mysore was pleased to grant dearness allowance to all whole-time employees of the government. Training Substitutes, I think, are also whole-time employees of the government. I am sorry to inform you, Respected Sir, that training substitutes are not being given the dearness allowance, whereas all leave substitutes, and temporary additional teachers are given. The training substitutes are the only exception. It is my humble prayer that training substitutes may be granted dearness allowance.

I request you, Respected Sir, therefore to be so considerate and kind as to grant the

dearness allowance, given to all employees of the government, to me and all other training Substitutes working in government Schools, by passing special orders to this effect.

Hoping that my humble prayer will be granted,

Thanking you in anticipation,

I beg to remain,
Respected Sir,
your most obedient Servant,
R.V. Subba Rao.

GEN. SECRETARIAT 11 FEB. 1943

SIR,

Subject:- Dearness allowance to B.T. substitutes.

D1982

In returning herewith petition dated 18th October 1942 from Mr.R.V.Subba Rao, - - Training substitute, Government High School, Fort Bangalore in the matter of giving dearness allowance to training substitutes forwarded for my remarks in your memo No.E.1877 dated 3rd November 1942, I have the honour to invite your kind reference to your letter No.E. 3688/Edn.92-41-31 dated 23rd March 1942 ordering that the proposal of this office to treat the training substitutes to be on a par with leave and other kinds of substitutes and to allow them the benefits of leave, special locality allowance and other allowances admissible under the rule as also the dearness allowance cannot be sanctioned as it will add further to the cost.

I may be permitted to state in this connection, that the position of the graduate training substitutes may perhaps be sympathetically considered on two grounds. The graduate substitutes' pay now stands at Rs.35/-. This is a salary which does not attract graduates of all communities in sufficient numbers to the educational institutions, especially where they find favourable conditions, though temporary, of pay and dearness allowance in centres of big business like the Hindustan Air Craft and several other war time concerns. As for the extra cost involved in this behalf, I may add that it will not be much in view of the fact that the number of graduate training substitutes is only 25 and they are mostly appointed in urban centres where living conditions are far more difficult than in rural areas.

I recommend in the circumstances stated that the case of the graduate training substitutes for dearness allowance may receive the sympathetic consideration of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Director.
